New Volunteer Training Webinar

March 12, 2021

Would you like to make a difference in someone's life? We are seeking volunteers willing to advocate for the best interest of vulnerable adults. These individuals are at risk for abuse, neglect, or exploitation and have been placed into protective custody by the Family Court System.

As a VAGAL volunteer, you will receive training from professionals in the human services field. Your involvement can make a direct impact on a vulnerable adult's life. We welcome volunteers from all cultures, professions, ethnic, and educational backgrounds.
